

How Are My Resources Being Used?

Our commitment is that 100% of the resources entrusted to The Ridge Community Church be used to help people find and follow Jesus. Part of our commitment includes that at least 10% of all resources be given away for church planting, leadership development, and community enrichment through our local and global partnerships.

Below is a breakdown of resource allocation per our annual budget for 2019-2020.

If you have any questions, please email giving@theridgecc.com, or call our offices at (262) 432-0228.

Thank you for your generosity and your partnership.
