

LEADERSHIP

AT THE RIDGE

Compassion Leader // Servant Leadership

Core Competency 2

Engage and **Collaborate** with a key partner in a way that both supports and demonstrates servant leadership.

TIEBACK from Prepare to Lead - remember to utilize your God-given strengths to support your team and your partner. Think through your enneagram and leadership takeaways.

Assignment 1 - Read and Answer

Read *John 13:1-17*

- While the emphasis in the other three Gospels centers around the events in the life of Jesus, John often focuses on the meaning of those events.
- John wanted to make sure people knew Jesus was not just a great prophet but “the only begotten son of God.”
- John didn’t tell the story of Jesus’ birth. Instead he reached back into eternity to recognize the beginning: God the Father, God the Son, and God the Holy Spirit.
- John, James, and Simon Peter had the honor of being with Jesus during his ministry more than any other disciples.
- Many new Christians start by reading the Book of John. This is because John was a fisherman before becoming an apostle. John is very relatable to working-class people, like us.
