

DANGEROUS PRAYERS

DAY 6:

REFLECT:

- What new challenges have you observed come up in applying boldness that you may have not anticipated?
- Is apathy or discouragement beginning to sink in? Or have you seen God begin to work and increase your faith?
- Are there steps towards applying boldness you are shying away from that You need to press through?

PRAY:

Father, I ask that You continue to give me perseverance in applying boldness to ____ area of my life. Help me to overcome discouragement, apathy and or any other challenges that may arise as I apply boldness. Give me hope and strength built on faith that You are at work. Help me to take the steps necessary to courageously apply boldness to my life!
