

# *DANGEROUS PRAYERS*

## **DAY 14:**

### **REFLECT:**

Engage with us on social media either through our [online community group](#), private messaging on Facebook or your favorite social media channel you interact with us through and let us know, what was most helpful for you in learning to listen to God this week!

### **PRAY:**

Continue to pause in silence and seek God....  
"God, continue to speak me...I am listening..."
