

DANGEROUS PRAYERS

DAY 12:

REFLECT:

- What can you do to be ready to respond to what God asks you to do?
- Look for opportunities to depend on God in response to what He is asking you to do.
- Is God asking you to do something that you don't feel qualified or comfortable doing...such as:
 - Join a Ridge Group
 - Serve on a team
 - Pray out loud
 - Forgive someone
 - Invite a friend over to dinner or a watch party
 - [Identify](#) Your ONE
 - Begin [praying for Your ONE](#)
 - Spend time with [Your ONE](#)

PRAY:

Father, I pray for boldness to be ready to respond to what You are asking me to do! I pray for boldness in taking necessary steps forward in my relationship with You. I pray for courage to connect with others in a group or on a serving team. I pray for the grace to forgive those I have been reluctant to forgive. Boldness to invite a friend over for a watch party of a Ridge service and a passion for identifying and investing in my ONE. I pause in silence to once again listen for You and Your voice....
