

DANGEROUS PRAYERS

DAY 18:

REFLECTION:

- God has given every person abilities, talents, and gifts to be used for His purposes He has designed.
- This does not mean it will be easy to do so!
- What barriers/challenges do you anticipate? How can you overcome these challenges?
- We tend to see our limits while God calls us towards our potential. What could this mean for you and your life?
- Where are you limiting yourself and what God can do through you? Where is God challenging You to new levels of faith and dependance on Him as He breaks your heart?

PRAY:

Father, thank You for the way You have designed, created and gifted me. Help me to see myself as You see me. Not too highly or too lowly, but in perspective of who I am in You. Help me to learn to depend on You. Allow me to overcome any limits, challenges or barriers that I encounter. Give me courage to overcome these and to lean on You in all ways.
