

# FAMILY DEVOTIONAL RESOURCES

## PRESCHOOL

A preschooler's brain is learning and growing at an incredibly rapid rate. Everything they see, hear, and touch is not only new and exciting, but builds their foundation for future growth and development.

These years are the perfect time to introduce your children to their perfect, loving, heavenly Father. Through shared experiences of music, story, and play, you can build your child's spiritual foundation as they learn their ABCs and 123s.

Here are some fun, interactive, and creative resources we've created to help your preschoolers know the God who made and loves them.

(For more information or to order, visit the Parent Cue Store at [ParentCueStore.org](http://ParentCueStore.org).)

You can engage your preschoolers to experience God through this music and these read-along stories:

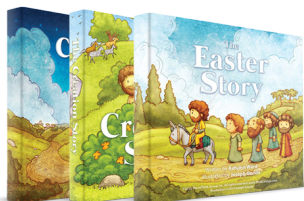

### **Hip Hip Hooray!** **Preschool CD**

*Hip Hip Hooray!*, much like a preschooler, has the ability to turn any day into a party! These fun, energetic songs were all written with the family in mind and are sure to get you up on your feet—jumping, singing, clapping, and dancing. Whether you're in the car, cleaning up, or walking down the street, with *Hip Hip Hooray!* you can always sing together, celebrating that God made us, God loves us, and Jesus wants to be our friend forever.

### **Everybody Sing!** **Preschool Worship CD**

Any time you turn on great music for your preschooler, something wonderful starts to happen. They begin to smile, bounce, clap, wiggle, and sing with total abandon. They throw their whole bodies into their worship experience! As parents, we need to give them songs with great words, so they will be singing about what matters most.
