Day 8: Faith-Building Friends

Hebrews 10:24-25: *And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.*

Today we will briefly explore how other people can help us learn more about following Jesus. Following Jesus is never at its best when done alone. If you want to grow in your relationship with Jesus, you need to have intentional relationships with people who have the same goal. It is through connecting in community which provides a path toward finding and forming faith-building friendships.
