As we continue to prepare for the reopening of our physical campuses in accordance with CDC guidelines, we want you to know what we're doing on our end to help keep guests, team members, and staff as safe as possible.

- **Staff and Serving Team Members** | All staff and serving team members that come into contact with guests on a regular basis will be required to wear face masks while they are in the buildings.
- **Touchless Environments** | All environments will be as touchless as possible for guests.
- **Enhanced Cleaning** | We are taking extra care to increase our cleaning process and maintain social distancing.
- **Not Feeling Well?** | If you have symptoms when we reopen or in the last 24 hours before entering the buildings, including cough/fever, we ask that you join us for service via our online campus. If you are able to join us in-person, face masks and respectful social distancing are strongly encouraged.

Thank you so much for your patience and prayers over the last few months. You and your family's safety is always our priority, and we can't wait to see you again in-person for the kick-off of *At the Movies*. If you have any questions, please reach out to us
