

WEEK 2:

DAY 6:

READ:

James 1:12: Anyone who meets a testing challenge head-on and manages to stick it out is mighty fortunate. For such persons loyally in love with God, the reward is life and more life.

John 10:10: The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

REFLECT:

Pause and take some time for God to speak to you through these verses. What would it look like to say you are loyal to God? What would need to change in your heart and thinking to make this true? Reflect on Jesus' statement that He came to give life and give life to it's fullest! How does this encourage you? How can this change your perspective on the storms you are going through or the storms others around you are going through?

PRAY:

Father, I thank You for the relationship I can have with You through Jesus. Help me to be loyal to You in my time, focus and attention. May I come to experience life at its fullest as Jesus offers to us. I know that this is not a life free from pain and storms but one that can look toward You at all times. Help me to share this truth with others around me who feel hopeless in their storms.
