

WEEK 2:

DAY 3:

READ:

James 1:2-4: Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything.

REFLECT:

Spiritual maturity is always measured in terms of persevering faith not perfect behavior. This means that when a storm surprisingly hits, we don't walk away from God and faith even though everything in us wants to walk away. We walk towards Him and let perseverance finish its work within us. Take a step to start seeing PAST the storm and trust God's at work in us through the storm.

PRAY:

Father, I pray that You would continue Your work within me. Allow me to see past the storms that I am going through right now to see where and how You are at work within me and around me through this. Give me perseverance that allows me to trust You more. I admit that this is tough for me. Especially when I face difficulty in my life. Help me to see past the storm and see You more clearly. Amen!
