

WEEK 2:

DAY 4:

READ:

James 1:5: If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.

REFLECT:

Wisdom is the ability to see our current circumstances within a broader context. Have you asked God for the confidence that He is up to something? Do you believe that there really is a greater purpose for your storm? And that God cares for you? Ask God to help you in these areas!

PRAY:

Father, as I look at the storms that I am facing in my life right now, I ask that You give me confidence to know that You are up to something in me and through me! Help me to truly believe that there is a greater purpose to the storms I am going through. Help me to know how deeply You care for me. Give me Your guidance and direction in each of these ways. Amen!
