

WEEK 2:

DAY 5:

READ:

Romans 5:3-4: Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope.

REFLECT:

Take some time to reflect on how perseverance in your storms can impact your character and in turn lead toward hope. How can the storms you are going through now impact your character for the better? How can trusting God more in this storm lead to greater hope?

PRAY:

Father, I pause to seek You today. As I persevere through the inevitable storms of life, I ask that You shape and refine my character every step of the way. Give me a greater sense of hope rooted in a greater confidence and trust in You. Amidst uncertainty give me peace that comes from You and the hope You offer to me.
