

**WEEK 3:**

**DAY 3:**

**READ:**

Romans 15:5: May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had,

**REFLECT:**

There's always a price to be paid to get them. For example, the marriage you want, it comes from you sacrificing for your spouse. You want to grow closer to God? Price- Wake up earlier and have a quiet time and get God to be a bigger part of your life every day. You want to get out debt. Price- start downsizing your house, possessions...honor God. You want to deal with the emotional hurts from your past. Start going to counseling or rehab. To get what you want in life. Always happens outside of your comfort zone. And that takes grit to get outside your comfort zone. What area(s) of your life do you need greater endurance to do the hard work that is required?

**PRAY:**

Father, I ask that You examine me and my life. Search me. Help me to see areas where I am settling and holding onto comfort instead of leaning in to develop endurance, perseverance and grit. Help me to take on a new perspective in areas of my life where I need greater perseverance! In my relationships and the people, I value in my life, finances and how I handle them, work and my attitude toward it. Give me a perspective that more clearly aligns with You! Help me to let go of things in my life that are holding me back. Amen!
