

WEEK 3:

DAY 4:

READ:

Proverbs 13:20: watch the company that you keep - surround yourself with others who will continue to inspire you to your betterment.

REFLECT:

How do the people around you, influence you? Have you surrounded yourself with people like you, or do you allow others to challenge you and help you be accountable? How often do you connect with people who are also followers of Jesus? Are you connected to a Ridge Group where other followers of Jesus with similar pursuits and values can speak into your life?

PRAY:

Father, I come before You and thank You for the relationships You have placed in my life. Help me to seek out and choose friendships/relationships that honor You and shape me more like Jesus. I pray for greater intentionality in choosing relationships like this, while also not distancing myself from people who do not yet know You. I pray for a greater balance of these relationships in my life. I ask that I become more open to accepting when others around me correctly challenge me for the better.
