

WEEK 3:

DAY 5:

READ:

Hebrews 10:24-25: And let us consider how to spur one another on to love and good deeds. Let us not neglect meeting together, as some have made a habit, but let us encourage one another, and all the more as you see the Day approaching.

REFLECT:

Often in times of stress it can be easy for some to isolate themselves and give up meeting with other followers of Jesus. Perseverance looks like continuing to gather with your group and other followers of Jesus. This is not only for your benefit, but God will also use you in the lives of others around you in a way that allows us to “spur one another on to live and good deeds.” Make the decision to develop and exercise “grit” by attending your Ridge Group and services regularly in this season!

PRAY:

Father, I pray in this season that I would lean more into relationships I have with followers of Jesus that are in my life. I acknowledge how busy I am, and how easy it can be to back away from deep relationships with others in my Ridge Group and the time and intentionality this takes. I pray for perseverance/grit to be developed in my life through these relationships. Help me to be more intentional with attending a Ridge Group this season and contributing to it. Help me to stay connected to services and what You are doing through these. Shape me for the better through these environments, but also use me in a way that allows me to shape others around me as well, knowing that we all need one another!
