

WEEK 4:

DAY 1:

READ:

2 Corinthians 1:3: Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.

REFLECT:

Consider how comforting it is to know that God is with you in the storms you are going through? In what ways can you share the comfort you have received from God in your storms with others around you?

PRAY:

Father, I thank You that You comfort me in the storms of life. I thank You for your great compassion for me. I also thank You for the way You walk with me through these storms of life, knowing You are with me every step of the way. I pray that You would work in me to become more aware of ways that I can care for others around me in the same way You care for me. Increase my compassion and empathy for others around me.
